

Skills sharing and potential contributions

To help with the ongoing organisation and voluntary help at Tan y Garth...

Aim - to tap into the potential and resources of the membership of the IHS, so that Events can continue to be conducted at the Hall.

How much time are you willing to offer the I H S?

Please include. Contact details.

Please share what you feel to be your areas of expertise or experience in relation to the needs of the IHS. It would help if you can specify whether your help will be in the short term or long term? i.e., could it be ongoing or are you looking to help with the 'crisis situation' and then step back due to other commitments?

Is there any time of year you would be more available than others?

Regarding the Programme of Events for 2017 do you have any further ideas to contribute to the Programme? Do you have any suggestions re Guest speakers /contributors for future events that you feel would attract a good number of attendees? If so please give details. Or if you are prepared to conduct an Event please indicate here with details of proposed theme/title
